RE: MUR 7023

Dear Mr. Jordan,

Illinois Family Action (IFA) recently received a letter of complaint from the Federal Election Commission. Part 1 of the complaint details radio ads run by *Illinois Family First* on various Chicago area radio station. Our organization had absolutely nothing to do with creating or funding these political ads.

Part 2 of the complaint suggests that IFA coordinated with the Kinzler for Congress campaign. That is not true. IFA did endorse Jay Kinzler for Congress in the 6th Congressional District of Illinois, and we used social media to announce our endorsement and promote our choice for the primary election. Some of these communications did include the use of Kinzler for Congress logo. We did not coordinate with the Kinzler campaign.

If you have any further questions, please don't hesitate to contact me directly. I will be happy to answer any and all of your concerns.

After reviewing the facts of this case, we hope you will dismiss IFA from inclusion in this complaint.

Thank you in advance for your attention to our response.

Sincerely,

David E. Smith
Executive Director
